## How it works

We offer for a nominal fee. Deposit Protection. The money back warranty fully guarantees up to \$200.00 of your deposit against loss. Meaning if we are trading you and your experience a total loss of your deposit. We refund it back to you minus the \$15.00 processing fee.

We suggest that you always sign up for (2) two Platforms as opposed to just one. Two platforms insure a trending trade advantage and reduces your binary exposure while maximizing returns.

Please note that all activation fees are binding with our disclosure and are non-refundable.

## Conditions that may void the warranty.

- ▶ Dow drops .5% or more during trade session
- ▶ Opting to trade your own account.
- ▶ Changing your password during trades.
- ▶ We double 1/2 of your initial deposit.

Effective: **January 2015-January 2016**

Available: **Worldwide**

The warranty is available only once per platform

The warranty is available only once per platform and can not be saved or transferred.

This is warranty is free if you join both platforms instead one just one platform.
